

Kitsap Humane Society (KHS) offers the Community Service Program to provide individuals with an alternate option for court ordered fines. All individuals who apply for court ordered community service will go through a background check prior to being accepted, or denied, for the KHS Community Service Program. When applying for community service, please be aware of the following conditions:

- Felony, theft or assault convictions or pending charges against any of those will not be accepted.
- Individuals must be at least 16 years old to complete community service at KHS.
- People applying for community service must consent to search of their person, belongings, and vehicle while at KHS.
- Individuals must abide by all KHS policies and local, state and federal laws while on KHS property.
- KHS has the right to refuse service, deny, and/or terminate, individuals to this program at any time.

Community service workers are required to wear pants and close-toed shoes. Workers are to schedule the time they can perform their community service with a community service representative.

In signing, I consent to a background check, the search of my person, belongings and vehicle. I understand that if said search results in possession of KHS property, KHS staff or volunteer property, alcohol, drugs, drug paraphernalia, dangerous weapons or other contraband, I will be reported to law enforcement and terminated from the Community Service Program.
